before leaving on the scheduled field trip.*

Please read and sign the back of this form if you are planning on chaperoning or driving!

Field Trip Policies

Please read carefully.

1. As a driver and chaperone you are required to have proper insurance. You must carry proof of insurance with you on the field trip as well as make a copy and leave it with the office staff.
2. Children must wear a seat belt at all times while riding in your car. Children are never to be "double buckled". Any child less than 100 lbs cannot sit in the front seat if you have a passenger airbag.
3. When you sign up to drive or chaperone on a field trip, please do NOT bring younger or older siblings. Our students need your full attention.
4. Do not stop anywhere to and from your destination when driving on a field trip.
5. Follow the School Wide Discipline Plan while on a field trip. Report any disruptive behavior to the student's teacher as soon as possible and the teacher will take the proper action.
6. It is not recommended that you give out extra money to children in your group. Each child has been given notice as to the amount he/ she will need. If a student forgets his/ her money the office will either call the parent or loan the money necessary.
7. Please be prompt at all designated meeting areas so that the teacher can make an accurate head count.
8. Do NOT ever leave a field trip location for any reason without notifying the teacher in charge.
9. When car-pooling, follow other cars in the group as closely as possible. It is important that all cars park closely together and students arrive together. Remember Do Not Stop unless designated by the teacher.

Field Trips are meant to be a learning experience. Be sure to take in as many of the educational sites and experiences as possible. We plan these trips to supplement our students' educational day and we need your cooperation. Please sign below to assure that you have read and agree to the above conditions.
